BERKSHIRE COUNTY BOARDS OF HEALTH ASSOCIATION

Chokesaver Certification Training

Sponsored by Berkshire County Boards of Health Association

Berkshire County Boards of Health Association has scheduled a series of Chokesaver training presentations that meet the requirements of 105 CMR 590.009(E). The training will be taught by Mary Agoglia, MSN.

MGL c. 94, section 305D states that:

Each restaurant, having a seating capacity of twenty-five persons or more, shall have on its premises a device approved by the department of public health that is designed and intended for use in removing food which may become lodged in a person's throat or each such restaurant shall have on its premises, when food is being served, an employee trained in manual procedures approved by the department of public health to remove food so lodged in a person's throat. The department of public health shall adopt regulations ...

105 CMR 590.009

(E) Anti-Choking Procedures in Food Service Establishments. Pursuant to M.G.L. c. 94, § 305D, each food service establishment having a seating capacity of 25 persons or more shall:

- (1) Have on its premises, while food is being served, an employee trained in manual procedures approved by the department to remove food lodged in a person's throat; and
- (2) Make adequate provision for insurance to cover employees trained in rendering such assistance.

Registration:

Attendance is limited to 15 people per class and pre-registration is required. Cost is \$20 for one person, \$15 each for 2 people, and \$10 each for 3 or more. Please register using the attached form, and return to BCBOHA, 1 Fenn St., Suite 201, Pittsfield, MA 01201.
